You can follow license details here. License Licensee. – The licensee is both a contractor and the subcontractor. Such a relationship creates a rights and responsibilities of each person in the relationship that differs Benefits. The licensee is free to hire whom he or she pleases to perform services for him or her. ... Bottom Line: A contractor is ... not the owner of the real property He may assume any legal obligations arising out of the real property on which he is working. The special liabilities of the owner are not his. These liabilities must be assumed by the person who hired the contractor. Benefits. A subcontractor has legal benefits based on the contract he executes with the contractor. He has, for example, specific rights and responsibilities relative to the subject matter of the contract (as well as in several other areas). They include the right to be paid, the right to indemnity, and, in some jurisdictions, additional benefits. Not all of the liabilities of the contractor are legally his. For example, the general contractor is not the owner of the real property that is the subject matter of the contract. He can assume any legal liabilities that arise from the real property, but he must assume these liabilities by contracting for them with the owner. The contractor must have legal indemnification from the subcontractor who is the main contractor in certain instances. This indemnification requires the contract between the owner and the main contractor to provide this protection. The special liabilities of the owner that are not owed to the contractor are not required to be provided for. Licensing or registration requirements that apply to the contractor directly are, however, the responsibility of the contractor. Licensing or registration requirements that apply to the owner, or to the property, or to the owner and property together, are the responsibility of the owner. The only obligations of the owner to the contractor that have some force and effect are those that the owner must assume expressly in the contract. Gainful employment. A
