Add to cart to see updated price Buy with confidence As an official Steam game with a CD key, and a steam game, you can't lose, as Pico Park is 100% legit, and is not a scam. Pico Park is a new, adrenaline filled, skill based action puzzle game for 2-8 players. This game comes with steam trading cards, resource items, powerups, online play, and well designed levels and additional content for all the skillful players out there. You only need to download the Steam client, and Pico Park will be there for you. Pico Park requires two keyboard connected devices, or a wireless keyboard and mouse. The mission to save the Pico Park team includes a wide variety of keys,

doors, elevators, obstacles and items in your way. You must also rescue all their teammates. If you are stuck on a level, contact your teammate to get the key. After you have unlocked the door, unlock it with the correct key, and get the door open, go through the door, and get the key for the next level. After you have unlocked the door to the next level, do the same as you did for the previous level. If you have unlocked the last door, save the Pico Park team, and this game is over. This game has a rich dialogue system, with lots of witty dialogue. To get the best results, you must keep in mind some basic things: First of all, play all levels to get the best results.
