Elden Ring Features Key:

A Vast World Full of Excitement - Open world structure and a variety of scenarios offer a fun journey, even with 12 characters simultaneously created.
Create Your Own Characters - Customize your character through six combinations of body, skin, and hair colors and facial expressions. The appearance of your character will remain even after normal gameplay has ended.
Explore the Great Lands of the Lands Between - Explore a wide range of fantasy-inspired maps integrated with a variety of locations.
Epic Story Segmented into Fragments - In the world of Elden Ring, an epic story takes place in fragments. Take part in the struggle between three main characters and familiarize yourself with the

story of the Lands Between, starting at the first chapter. Characters can be switched between anytime, allowing you to experience the story in your own way.

Mastery Level Equals Qualities - You can develop your character based on your play style. As you rise to a certain level, you can increase skills that give you special benefits in battle. Upgrades of both combat and magic skills will be reflected on the user interface.

- Mastery of qualities will naturally increase you ability. For example, when casting a spell using Mastery Level 8, the character's spell meter fills 50% faster, and the damage of spells increase by 10%. Besides their primary job, you can also raise your values of interest such as offense and defense.

Rise in a Multilayered World - Explore the rich and diverse world of Elden Ring, from vast, open plains to enormous dungeons with unique interiors. You can fully experience this vast world by delving deep inside monster nests and discovering huge secrets hidden in ancient ruins. So that even if you do not have talent for healing, potions, and food required for a long journey can be obtained freely from treasure and monsters.

Raw Potentials You Can use For Free - Include all necessary items for character creation, as well as potions and food. Even when playing alone, we've added the elements of challenge and fun for free.

By The Zybo Project. The Zybo Project. 2015-12-07T14:42:10-08:00Zybo Projectpreface By The Zybo Project. Added on January 01, 2016. Have those pesky Amber Lights invaded your home? Are your neighbors breaking into your house every midnight? With the Supernatural Attack (SNA) Device, you'll finally have a tool to fight against them! Doors and windows are no longer a barrier you must face when enemy spells and attacks strike! With the Supernatural Attack Device, you can shut the door, pull down the window, or attack what threatens your home with no problems, even from across the floor. However, obtaining the Supernatural Attack Device isn't easy, as its owner usually purchases and uses it as a scare tool used to intimidate potential thieves and intruders. Do you think that FRELIMO belongs to its owner? Are there other problems facing FRELIMO? In addition to its Master destroying itself using a Supernatural Attack Device and helping FRELIMO's owner, perhaps we can turn this into a story where FRELIMO's owner, and protectors, come to the rescue with their own? Regardless of what you do, as long as you survive, you can fight back! If you care about FRELIMO, you can help its Master and FRELIMO's owner escape the Cursed Amber. As long as you survive. By The Zybo Project. Added on February 27, 2016. FRELIMO, the Sleeping God, is under attack, and now a Supernatural Attack Device owned by a mysterious group of people threatens to destroy the world. FRELIMO's owner, as well as his protectors, must do everything in their power to prevent the ultimate destruction. If FRELIMO belongs to the owner and protectors, they can't let an enemy have all the information. As long as they survive, they fight back, but if they are able to, could they find a way to make FRELIMO wake up and restore the world? This is a story where the one who loves FRELIMO

Why Should You Download Elden Ring ZEN ROM?

As the first MMORPG in the Direct X series and one of the first games in the genre to come exclusively to AMD platforms, Elden Ring has never been available at a low price or in a compatibility-free package. This version uses the most recent DirectX engine and supports both AMD and NVIDIA graphics cards. Furthermore, this version has full support for AMD and NVIDIA's latest PC hardware and advanced graphics APIs (AVAPI).

Update: The Linux distribution is here! >

Update 2: Watch the video above for a quick tour on how to install & play Elden Ring:

Elden Ring has finally come to the vanilla Linux: feel free to remove your mouse entirely. The last release of Elden Ring for Linux was v.0.5.2.3 and was tested on Easilib-0.5.2.3, the library set up on which Elden Ring for Linux is run.

Long-time fans of the original Elden Ring can be amused by the fact that many items have been removed from the Divinity Engine, which was added in the Elder Scrolls III and Elder Scrolls Online versions. Also, hotkeys have been changed to match the conventions of modern games.

Elden Ring features a total of three different skills depending on your choice of class. Weapons have a Concentration skill, Attack has
